
MEDICAL ALERT INFORMATION

Progression of this disease leads to ascending meningoencephalitis and may result in cardiac or respiratory arrest in as little as 3 days after symptoms manifest.

This disease can be treated successfully if identified early. Standard precautions should be taken. Additional information can be located at <https://biotech.gsu.edu/bvirus>

If the person with this card exhibits any of these symptoms, please contact Julia Hilliard, Ph.D. at the National B Virus 404-358-8168 or Aneesh Mehta, MD. at the Emory School of Medicine (678) 428 6728.
